We Sell Businesses!

Marketing your business for sale is the tip of the iceberg. We are one of the very few brokerages in Central CA that specializes in the sale of businesses. It takes an experienced broker to efficiently navigate you through the complex process of bulk sale escrows. We will do our best in marketing your property or business as if it was our own.

WHAT WE WILL HELP YOU WITH...

- Marketing your business for sale on top business listing websites. Can be discreet.
• Finding a strong, qualified buyer.
• Negotiating the best price and terms possible.
• Guide you through the intricacies of the bulk sales escrow process.
• Working with your landlord on approving the buyer for a lease.

45 Years in Business & Still Going Strong

In 2021, we completed 84 transactions which consists of:

- 860,000 square feet sold/leased
• Multiple sale of businesses
• 95% closing rate before expiration of listing
• 100% of business sales we procured the buyer
